Come take part in the 7th year of our highly successful Ten Tips Workshop Series. The 2016-17 school year schedule is as informative as ever! The series consists of 9 workshops appropriate for parents, teachers, or other individuals who work with young children and focus on practical strategies that can be easily implemented into daily classroom and/or home routines. All of our workshops offer suggestions that are appropriate for all children. A special emphasis is placed on children with **special needs** and those who may be on the **Autism Spectrum**. We look forward to seeing you!

Workshops are provided for a fee of \$15.00
 Register for all 9 and pay in advance for \$100 (Save \$35)
 Register for any 5 classes and pay in advance \$50 (Save \$25)

Payment is collected at the start of class. In order to receive the discounted rate, payment in full is required at the time of the first class you attend. All other payments will be collect at the time of the class. Continuing education credits may be available, please inquire when registering.

Registration: Email your name and list of courses you would like to attend (include dates) to Christine German. You may also register by phone 972-218-6394 x 10.
